Experience

CONCEPTUAL DEVELOPMENTAL LAB RESEARCH ASSISTANT

MAY 2016~ DEC 2016

- Maintained and organized large amounts of data containing demographics of test subjects and various test results from four different studies using Excel and Qualtrics.
- Assessed test result to determine the next step in effectively meeting requirements while producing least biased data.
- Managed database of 1500 test subjects to efficiently determine test subjects for their appropriate studies, arranging studies on a daily basis.
- Developed adaptability by executing various experiments involving the behavior and cognition of 3 to 7 year olds.

SINABORO PR CHAIR

SEPT 2015 ~ PRESENT

- Utilized social media including Facebook and WordPress to advertise the organization and its events to both the student population and the public, successfully achieving a high turnout in terms of both recruitment and audience size.
- Redesigned the logo and re-established the design guidelines in marketing material in order to strengthen the organization's presence in the community.
- Directed the production of promotional material such as photos and videos, including planning, filming, and editing about 25 minutes worth of videos.
- Strengthened diversity in the community through various performances in traditional Korean drumming.

KIWI PRODUCTIONS MUSIC VIDEO PRODUCTIONS TEAM

SEPT 2015~ APR 2016

- Planned and edited various music videos, participating in both cut editing and postproductions process including color editing and image correction.
- Led the audio engineering process by composing, recording, mixing, and mastering 5 different songs used in the videos.
- Assisted in the filming and lighting of video productions in both outdoor and indoor filming locations.

THE HUMAN HELPING HAND PRESIDENT

AUGUST 2013 ~ JUNE 2015

- Organized a monthly volunteer-based soup kitchen event at a senior center in urban Detroit.
- Coordinated each event in arranging member participation, as well as cooking and serving unique Korean food.
- Enhanced interpersonal skills by conversing with the seniors on a regular basis during meals.

DETROIT SAEJONG KOREAN SCHOOL VOLUNTEER ASSISTANT

SEPT 2011~ JUNE 2015

- Observed and supervised the classroom behavior of children aging 4 to 8, which includes various tasks from helping a child in the restroom to carrying out class in the teacher's absence.
- Aided teachers in children's education process, such as printing and organizing documents or helping children stay focused during class.
- Awarded best volunteer for the 14-15 school year.

Additional Experience

- Experience and largely self-taught knowledge in Python, Microsoft Office, Premiere Pro, Photoshop, After Effects, FL Studio and a basic understanding of SQL.
- Fluent in both Korean and English. Currently learning Chinese.
- Played Violin since childhood. Concertmaster in Oakland Youth Orchestra (2013 ~ 2015).
